REMARKS/ARGUMENTS

At Pages 1 and 2 of the specification, the paragraph entitled "Co-pending applications" has been deleted and replaced, merely to amend the US patent application numbers by their corresponding US granted patent numbers, where applicable. The Applicant submits that this amendment introduces no new matter.

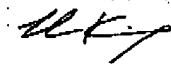

In the amendments, claim 1 has been amended to recite the features of claims 2 and 19. Claims 2 and 19 have been cancelled. As the Examiner had previously indicated the allowability of claim 19 if re-written in independent form, the Applicant respectfully submits that the present amendments place the application in order for allowance.

Very respectfully,

Applicants:
